COMMUNICATION

Pursuant to 37 C.F.R. §1.136(a)(3), Applicants hereby request that the Examiner treat the May 14, 2004 authorization to charge any additional fees that may be due to Deposit Account No. 50-0311 as a constructive petition for an extension of time for the reply filed on February 7, 2005.

In response to an Office Action mailed on August 5, 2004 in the above-referenced case, Applicants submitted a continuation application under 37 C.F.R. § 1.53(b) on February 7, 2005. However, no written petition for a three month extension of time was filed in the above-referenced case in connection with this filing. Accordingly, Applicants respectfully request that the Examiner treat the May 14, 2004 authorization (courtesy copy included) as a constructive petition for a three month extension of time in the above-referenced case. With this extension of time, the continuation application filed in response to the outstanding Application was due on or before February 7, 2005 (February 5, 2005 being as Saturday). Therefore, Applicant submits that the continuation application filed on February 8, 2005 was a timely filed response to the August 5, 2004 Office Action.
